

REMARKS

Claims 1-22 are pending in this application. Claims 5, 6, 14 and 15 have been withdrawn from consideration. By this Amendment, claims 1, 8-10, 17 and 18 are amended. The amendments to claims 1, 8-10, 17 and 18 merely removes surplus phrasing inadvertently added by the July 21, 2004 Amendment. No new matter is added.

For the reasons discussed in the July 21, 2004 Amendment, neither Huston, Sato nor Alt, alone or in combination, teach or suggest a display device, electro-optical device or driving method for an electro-optical device wherein "a size of each of at least two of said sub-pixels being differentiated from each other," as recited in claims 1, 8-10, 17 and 18. Claims 2-7, 11-16, 19-22 depend from claims 1 and 10, and thus are also not taught or suggested by Huston, Sato or Alt, alone or in combination. Accordingly, Applicant respectfully requests reconsideration and withdrawal of the rejections.

In view of the foregoing amendments and remarks and the amendments and remarks set forth in the July 21, 2004 Amendment, it is respectfully submitted that this application is in condition for allowance. Favorable reconsideration and prompt allowance of claims 1-22 are earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned representative at the telephone number set forth below.

Respectfully submitted,

James A. Oliff
